Grids* and Edges

Suspension System

USG offers numerous suspension system and edge detail options to help meet your design needs. Select a grid system and match it with a corresponding panel edge detail, or vice versa, to assure proper system fit and assembly.

DONN® Grids with DX clips

Grids* : T-24 and T-15 Grids are also available without the DX clips. These grids are called Uni-T grids. Please contact your USG representative for more details.
